Additional BCE members – agreed to look for new team members to support the various events organised by the BCE team.

**4. Any Other Business.**

- As the sale of Prince George and Princess Charlotte mugs have provided a healthy balance in the BCE account, it was agreed to refund the Bucklebury Farm Park for some of the costs they absorbed for the Bucklebury Music Festival in 2013. This included the Farm Park staff costs for the day and the Master of Ceremonies fee. The Bucklebury Community Events team is extremely grateful for the on-going support of Liz and Rupert and their continued generosity.
  
- Planning for the Christmas tree festival is underway. Agreed all profits from the event to be donated to the West Berkshire Food Bank.

Signed    Anne Ryder
