Circular bund within sustainable forestry operation.  
Mr. Dunkerton and Mr. Slatford attended a site meeting with the agent and the planning officer on Friday 22<sup>nd</sup> June.  
The bund has been built to reduce noise and for security purposes. The bund appears to contain bricks and other debris; it was agreed that these should be removed and the bund planted up as soon as possible.  
However, it was unanimously agreed that BPC has **no objection** to the construction of a bund.  
An area of hard-standing near the Hatch Lane entrance was also noted.
