P1. 17/02535/HOUSE Autumn House, Byles Green.

Garage roof extension.

Cllr. Brims gave a summary of the application, but commented that he had only viewed the site from the road as the proposed times for a site visit were inconvenient to the applicant. The proposed flat roof extension is believed to extend beyond the domestic curtilage of Autumn House. Comments were made about the flat roof (contrary to Bucklebury Vision), the amount of glazing to the south elevation and the potential for light pollution, and the overdevelopment of the site when the considered with previous applications.

The meeting was **closed** for the Mr. Green to speak.

Mr. Green commented that he would have to refer the matter of the curtilage to his agent. He also commented that he had no plans to extend his external lighting.

The meeting was **reopened**.

It was unanimously agreed that BPC **objects** to this application.

The meeting was closed at 8.20pm.
